The author of "Being fair"

Hong Ji-Yeon book release party

Ha. Hong Ji-Yeon?! The author of the best seller "Being Fair" !!!

Why the hell am I here... !!

Excuse me. Do you have the invitation with you ?

Pardon ? Invitation ?

Yes, this is invitation only party.

Here it is. Ch-i is with me.

Ah... if you say so

What's going on ? I was told I was going to a new book party.

And therefore, you've come to one. Why are you so surprised ?

Welcome, Mr. Baek ! Long time no see !

I didn't expect you to come. How long has it been, 4 years?

Of course, I'd answer the invitation

Thank you so much for coming... If it wasn't you, "Being fair" would have seen the light

What ? This guy published the book ?!

The best seller that broke the record...

I thought he was just a white collar critic ?!

Hmm, by the way

헐끔

Who is... this ? I know everyone I invited and I don't recall her

Yes ? Oh, oh... ! Well, you see. ..

I've brought her here.

흠칫

She is going to be a good author, hopefully

Good article or not, how are you going to write one without a single picture ?! The #1 fashion magazine for fuck's sake !

I am asking you why ! You must have a reason, no ?!

Thu. Roll ?! She doesn't like this dress ?! Who does she think she is, a ?!

Fuck this ! They should have sent some pictures Why did they ask us to do their dirty job ?!

Do they think they are Naomi Campbell or something, huh ?!

Damn it ! We just have one more dress to review ! Fuck !

What now ? Postpone ?

No, we cannot postpone this

The deadline is tomorrow morning. Even if we postpone filming, we will still have to return the dress

So, this is the dress ?

Yeah, a good one, too ! It may be of a simple design but elegant

The designer isn't famous though, for now

Hmm ...

Sir, do you mind if I bring in someone I know ?

I think I know just right woman for this

There you are. I've been looking for you

Why aren't you inside ? There are lots of famed authors you probably want to talk to

Yes, but how would I introduce myself as ... ?

After all, I am nobody

Is that the reason? I could accompany you then. I will drive you home also

No ! You don't have to do that for me. I can go home by myself

Oh, so that is a little bit longer. I wasn't going to stay here for too long. Too many old faces to greet

Uh... I don't know if I should ask you this but you published her book. Why does your relationship with her as ... end ?

Oh, is that so ? She is going to be a good author, you say ?

Excuse me, but have you published any by , .

Ah, I see. Not yet, I see.

Ah, Mr. Back, I found out after I sent you the invitation. I heard you are working for a better publisher now.

I thought you retired from the business since you were writing only critique for a while.

Well, anyway, good luck to you

Why do you think so ? Are you interested in our book? Curiosity as an author or

No, not at all ! If you don't want to tell me, that is fine. I found it a little strange. That is all

I can certainly tell you. It's not like I have anything to hide.

Would you like to hear my story ?
